EC Certificate of Factory Production Control (FPC) 2273 – CPR – 0045

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR) it has been stated that the construction product:

BS EN 15048-1:2007 – Non-preloaded structural bolting assemblies
BS EN 14399:2005 – High strength structural bolting assemblies for pre-loading
Dimensions M12 through to M36

placed on the market by

F & B Profiles LTD t/a Precision Profiles

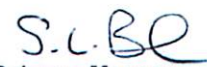

and produced in the factory(ies)
Southway Drive, North Common, Bristol, BS30 5LW

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 2273 – Steel Construction Certification Scheme Ltd - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

Attestation	This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard: BS EN 15048-1: 2007 & BS EN 14399-1:2005 were applied.
Date of first issue	May 2013
Date of this issue	26 April 2016
Date of expiry	30 June 2019
Validity Period	This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by Steel Construction Certification Scheme Ltd. Further clarification regarding the scope of this certificate and the applicability of the relevant standards requirements (see welding certificate) may be obtained by consulting Steel Construction Certification Scheme Ltd.
